

Bigair Gymsports™ delivers professional gymnastics, trampoline, tumbling, cheerleading and movement programmes from facilities in Tawa and Ngaio.

Bigair Gymsports™ in Tawa is a purpose built facility with international standard gymnastics equipment including vaults, bars, beams, trampolines, rings, ropes and circuit equipment. Bigair Gymsports™ in Ngaio runs a modified badge programme focusing on core gymnastic skills. All classes are run by experienced and qualified coaches with First Aid certification.

Bigair Gymsports™ programmes are designed for pre-school children through to young adults to tune their senses, focus their minds and develop skills such as balance, landing, springing, rotation, spatial awareness, imagery and manipulative skills.

Our programmes will inspire imagination, fuel zest for life, and develop confidence that will flow into almost every area of a child or young person's life.

*Fit kids fly higher!*®
